6. DESTINATION

Dominican Republic:

Dominican Republic is located in the archipelago of the Antilles. Has the North Atlantic Ocean, Caribbean Sea and South Sea, West Indies, east of the Mona Passage that separates the island Puerto Rico and west of Haiti. It has a territory of 48,442 km² and a population of over 9 million. The government is located in the capital, Santo Domingo de Guzman. The country has a predominantly tropical climate and rainfall is abundant. The average temperature is between 25 and 30 ° C. Dominican Republic is a country that continues to develop and depends mainly on agriculture, trade, services and especially tourism.

Bavaro & Punta Cana

Located in the east of the Dominican Republic is the place with the most famous beaches of our island, vast and endless, white sandy beaches and have millions of coconut palms, and a barrier reef that runs along the coast, clear and calm waters. On your way you can find several towns or places typical Dominican fishermen. Punta Cana is considered one of the biggest tourist attraction poles of the Dominican Republic, offers over 50 km of beaches, international airport, facilities for all sports, from sailing trips to the benefits of some of the best golf courses Caribbean and the pleasure of tasting delicious seafood at the seaside. It is at the eastern end of the island, exactly at the point between the Atlantic and Caribbean.

Sightseeing Tours *:

- Isla Saona, Dominican Republic, Saona Island, located in the southeast of the Dominican Republic, is the largest of the islands adjacent to the Spanish, is part of the Eastern National Park and provides sanctuary to several species of migratory birds . Originally his name is "Adamanay" is a primitive aboriginal name.
- Trip to Santo Domingo: Santo Domingo Dominican Republic's capital, founded on August 4, 1496 by Bartholomew Columbus in the eastern part of the Ozama River, is the first city founded in America. Located on the southern coast of the island, bathed by the Caribbean Sea. Its historic center is hosting the "Zona Colonial" houses over 300 museums. It is a place that deserves a visit and see the museums and monuments, and houses built in colonial times, there will see the first cathedral built in America, the Alcazar de Colon, a former residence of Don Diego Colon, son of Christopher colon, Dominican monastery, home of the first university in the New World, House of Bastidas, the house of the Jesuits.

- The village of Altos de Chavon Altos de Chavon is located southeast of the Dominican Republic, La Romana, and just 110 kilometers from the historical city of Santo Domingo. Built in 1976, Altos de Chavon is home to The Foundation Altos de Chavon Cultural Center, a cultural entity and educational nonprofit. Altos de Chavon is a church, restaurants, art galleries, museum Taino, shops, discotheque, artists' studios, design school and an amphitheater. The design school Altos de Chavon is associated with Parsons School of Design in New York

Cayo Levantado is a beautiful little piece of land located in the northeastern coast of the Dominican Republic in Samana Bay, on the Samana Peninsula. It has rainforest vegetation, paradisiacal beaches, white sand and crystalline waters, nestled in a beautiful landscape. Cayo Levantado is a place where you can observe humpback whales during the season from January to March. Cayo Levantado, where tourists and the lush vegetation vie for the kingship. And powdery white sand, turquoise waters are crystal clear - ideal for snorkeling or gentle swimming. Several birds found here, including parrots, lettuce and Ganet. It is notable that there are also the guinea pig and solenodonte.
