1. GENERAL INFORMATION

Designed exclusively for adult travelers, The Royal Suites Punta de Mita by Palladium in Puerto Vallarta offers the best of two worlds: the privacy and personalized service of a small VIP resort and the unlimited access to the wide array of services available at the Palladium Vallarta Resort & Spa. Our hotel embodies a new concept in luxury and exclusivity that gives priority to even the smallest of details. These exclusive suites are located in a paradisiacal haven, surrounded by lush almost tropical vegetation in front of a private beach with 300 meters of fine white sand bathed by the crystalline waters of the Pacific Ocean. Thanks to this privileged location and the great variety of services offered in our All-Inclusive Program, this resort is ideal for getting away from all worries and relaxing after spending your day on the Banderas Bay or playing golf at any of the internationally-known courses in the area. The area's flora and fauna were taken into careful consideration during the construction of the Resort, and all buildings have been fully integrated into the vegetation, thus preventing indiscriminate logging.

The Royal Suites Punta de Mita is managed according to the quality control system of Palladium Hotels & Resorts which guarantees an excellent level of consistent quality to our guests. The protection of the environment is very important to us and that is why we support the sustainable development of all of our hotels destinations.

6. DESTINATION

Vallarta

The beauty of this destination can be appreciated from the air as a small colonial city surrounded by tropical vegetation and nestled in the Bahía de Banderas, the biggest bay in Mexico and the second largest in North America. Puerto Vallarta seems to climb up from the blue waters of the Pacific Ocean towards the Sierra Madre's jade-green mountains that evoke really deep emotions. The city center includes the main courtyard and the emblematic tower of the Church of Guadalupe and her filigree crown. You'll feel the magic of Puerto Vallarta that no other beach destination can offer. It brings together the essence and warmth of an old colonial Mexican town with the luxury and high technology of a modern tourist destination.

Punta de Mita

Punta de Mita is where the most amazing fantasies about the Tropics' mysticism and beauty do come true. It's located about 45 minutes northeast from Puerto Vallarta in an exotic setting that has been created thanks to the natural formations of volcanic rocks that covered this area of the bay. Long extensions of fine sand beaches and spectacular clear-blue waters surround Punta de Mita. Punta de Mita is considered one of the best places to practice deep sea fishing, snorkeling and surfing. Punta de Mita features world-class restaurants where you can indulge your palate as well as your sight because many of them offer outstanding views of the bay or dinner under the star-filled skies.

Visits and Excursions*:

- **Scuba Diving Trips:** For beginners and certified divers. Pro and amateur divers can enjoy the great marine life that inhabits the clear warm waters of the Bahía de Banderas and Mexican Pacific Ocean.
- **Golf:** The golf courses around the area are located mostly in Nuevo Vallarta and Puerto Vallarta. You can reach them by taxi. Just ask at the reception desks about rates.
- **Aquaventuras Park:** This world-class sea attraction and water park is located right next to the exit towards the Nuevo Vallarta tourist area (10 minutes from the international airport). This magical place features a series of water games, lazy river, kid's club and sunbathing areas that provide fun for the whole family. You'll learn everything you've ever wanted to know about dolphins. Watch these noble, beautiful and intelligent creatures dance and sing. Swim with them in a once-in-a-lifetime adventure. Check out the fun-side of sea lions and exotic birds, and discover the turtle sanctuary while you help support their conservation and reproduction program.
- **Buccaneer Night Tour:** Sing, dance and laugh until tears fall down your face during the entertainment shows and games our "pirates" have created just for you. Enjoy a delicious dinner that includes your choice of beef medallions with shrimp brochette, chicken cordon blue or mahi-mahi filet, each served with rice, steamed vegetable or pasta. Your adventure includes a fascinating pre-Hispanic show and fireworks.
- **Canopy Adventures Tour:** Canopy Tour is a truly thrilling ecological experience that offers you the unique opportunity to glide through the treetops on a network of cables suspended high above the jungle trails in Puerto Vallarta's tropical forest. On this spectacular eco-adventure tour, you will experience what can only be described as a pulse-stopping view of one of the most beautiful and complex biological communities on earth. Just forty-five minutes from Puerto Vallarta, in the heart of the tropical forest of the Sierra Madre Mountains, lies this private eco-reserve - a biological paradise where you will discover a stunning profusion of Mexico's tropical flora and fauna. Our Canopy Adventure gives you the opportunity to experience this amazing wilderness from a unique perspective. With the assistance of our experienced guides, you can sail from tree to tree and platform to platform on a network of pulleys and horizontal cables that are mounted between 10 and 70 feet above the ground of the tropical forest. This exciting adventure consists of 14 observation platforms, 11 horizontal traverses, a Tarzan swing two hanging bridges and a thrilling vertical descent. Our knowledgeable guides will assist you every step of the way - from the time you leave the ground until you rappel back down to the forest floor. Our Canopy Adventure was built and designed by 'The Original Canopy Tour' of Costa Rica which has the best safety record in the industry. Participants are under the constant care and supervision of highly qualified personal who have received over 200 hours of formal training in Canopy Tour operations and safety techniques and we use only top-quality equipment that is regularly and rigorously inspected and maintained. Designed for thrill seekers of all ages.
